

PLAYING TIMES

General Playing Times for all Adult and Junior members

There is a considerable amount of time when not all the courts are in use for club sessions, coaching or matches and we encourage members of all sections to come and use the courts when they are free (see below). Please note that at such times you will need to arrange for someone to play with. Match details can be found in the diary in the clubhouse.

Day	Times
Monday to Friday	Anytime up to 10pm on any free court. Matches, coaching and club sessions take priority.
Saturday	Between noon and 1.30pm and any time after 5.30pm. Matches take priority.
Sunday	Any time up to 1.30pm and any time after 5.30pm. Matches, coaching and club sessions take priority.

Children under the age of 10 will need to be supervised by a parent. Parents who wish to play tennis with their children on the main courts need to be playing members of the Club. Parents who only wish to play with their children on the Mini-tennis court may do so by becoming a Social member.

Floodlight tokens for personal use are available from Barrie Lane (01737 211559) or Lewis Woodham (07860 645430) and cost £2.50 each, which gives 30 minutes of light.

Mini-tennis Court and Practice Wall

The Mini-tennis court and practice wall area is available at all times except when required for coaching. Please note that children have priority at the weekend.

Club Sessions for Adults and selected Juniors

There are a number of playing sessions for the various membership sections of the Club and we encourage members to come along and join in social doubles. A peg board system is in operation during these sessions which allows members to mix in and be ensured of a game.

Bank holiday playing times will follow the Sunday format unless notified otherwise.
