Members can also have their tennis/club related videos posted, simply send them through by email to bansteadtennis@gmail.com. We will be handing out a prize at the end of the year for the best video posted from age group 12 to 18 years old.

BDLTC Mens Aegon Team

Sunday morning saw our mens team take to the courts at New Malden for our first ever match in the Aegon Team Tennis Men's Division. Representing us were Caleb Simms, Lewis Woodham, Antony Antoni and Ugur Altan.

The format sees our team of four each playing singles matches before teaming up for two doubles matches. Competing in this event is a great step forward for the club.

Both Caleb and Antony won their singles while Lewis and Ugur narrowly lost in championship tie breakers however we won both doubles matches to secure a 4-2 win.

With the team in high spirits, we look forward to our first home match on Sunday 23rd April at 10am against Redhill. This event always creates a great atmosphere so be sure to come down and support the lads.

future courts..Surfaces

In light of our intentions to re surface courts 1 to 4 in a couple of years time it is essential that club members are made aware of what surfaces are available therefore over the coming months we will be featuring court surfaces, these articles will incorporate an in depth look at each surface which will include the manufacturing process, playing characteristics and hopefully a play test review.

Yet more success for Linda Morris as she teams up with daughter Katie to take the London Parks Ladies Doubles title.
